

May 17-18, 2019 is **Spring Beaver Weekend at Camp Wakpominee!**

This year the Wakpominee Alumni Association joins the Wakpominee Chapter OA in hosting the Spring Beaver Weekend. All Scouts and Scouters are encouraged to attend. You may come as an individual or as a Troop.

This summer the new ATV program opens at Wakpominee. There is a great deal of work to do between now and opening day of Summer Camp. We need your help to make it the most awesome experience ever.

What's in store for the weekend:

Friday Night activities begin any time after **7 PM** Activities include, camping, (some lean-to, some cabin) movies, board games, (bring your own Magic Cards) movies, campfire, a great Cracker-barrel, a fabulous Saturday Breakfast, a hearty hot Lunch and a new "Nifty" Patch. The cost is \$5.00 per person (pay at door). Bring your Health Form.

For those attending **Saturday only**, there will be no charge. You will still have a great time, a hearty **hot lunch** and a new "Nifty" patch!

Saturday work begins at **8 AM** We'll work on the new ATV trails and help Ranger Dan get camp ready for the summer. We'll wrap up around 5 pm on Saturday.

Troops are welcome to stay **Saturday night** but will need to provide their own food for Sat dinner and Sun breakfast.

You aren't required to "register" but we **really** need a headcount for food and such.

We are asking you to either register at the council website, or contact Nancy Ciccolella @OAScouter@yahoo.com

Please note your intentions and numbers (# Camping Friday or # just Saturday) as well as any special needs. You may pay the Friday fee of \$5.00 online or at the door.

Help make this the Biggest and Best Beaver Day Ever!
